# 17 HMR TNT®

## CCI® Rimfire 17 HMR TNT® DYNAMITE on Varmints!

The 17 Hornady Magnum Rimfire drives a 17 grain bullet at 2525 ft/sec† for those long shots. Varmint hunters told CCI that they wanted a hollow point bullet and we delivered an all-new TNT® bullet designed just for the 17 HMR. You get reliable bullet disruption at 100 yards for excellent varmint performance.

† nominal velocity from industry test barrel; velocities from production rifles may differ.

### Try it today!

**Priced from: \$0.00**  
Available at your local CCI/Speer Dealer
