

High Performance Steel At A Popular Price

Speed•Shok gives hunters a selection of shells for both waterfowl and upland game hunting where non-toxic shot is required. These loads are built for performance with uniformly round pellets for tighter shot patterns, and specially formulated powder for excellent Knockdown Power[®]. Speed•Shok loads also feature high-density plastic wads with a gas-sealing flange for maximum efficiency. Plus, their high output primers ensure consistent ballistics and solid dependability even in cold and wet conditions.

**Priced from:
\$0.00**
