

Raising The Steel Bar

With High Velocity steel from Federal® Premium® Ammunition, you've got one of the fastest steel loads on the market. And with the Federal name behind it, you know this product is top-quality--providing you with the confidence you need in the field to bag your game. Water-resistant seals at the crimp, wad and primer keep your powder dry. Federal Premium steel products also feature zinc-plated pellets for uniformity and corrosion-resistance.

**Priced from:
