## **BLACKHAWK! Omnivore Holster Now Available**

**Overland Park, KS – October 3, 2016** – Multiple holsters for multiple handguns is no longer an issue. The BLACKHAWK! Omnivore is a multi-fit holster that accommodates more than 150 styles of semi-automatic handguns with an accessory rail. The active retention mechanism locks onto our proprietary Rail Attachment Device, not the frame of the handgun. A thumb release disengages the locking mechanism when drawing the handgun. The holsters are now available at dealers.

- **MULTI-FIT** - Omnivore holsters fit more than 150 styles of semi-automatic handguns with an accessory rail.
- **ACTIVE RETENTION MECHANISM** - Ergonomic thumb-activated retention mechanism delivers instant firearm access.
- **LEVEL 2 RETENTION** - Uses two features to hold handgun securely in place.
- **FREE-FLOATING DESIGN** - Holster locks onto Rail Attachment Device, doesn't wear firearm's frame and finish.
- **3-POSITION ADJUSTABLE RELEASE** - Height of thumb-activated retention mechanism adjusts to fit your hand.

BLACKHAWK!, a Vista Outdoor, Inc. brand, is committed to providing the best class of tactical gear. For more information, visit [www.blackhawk.com](http://www.blackhawk.com).

## **About Vista Outdoor**

Vista Outdoor is a leading global designer, manufacturer and marketer of consumer products in the growing outdoor sports and recreation markets.
