RCBS Named Official Reloading Sponsor of Guardian Long Range Competitions

OVERLAND PARK, Kansas – April 11, 2019 – RCBS, the leading manufacturer of ammunition reloading equipment for rifles and pistols, is proud to have been named the Official Reloading Sponsor of Guardian Long Range Matches.

“We are honored to announce RCBS Reloading as a Defender-level sponsor for the Guardian,” the organization said. “As our official reloading sponsor, shooters can expect to see some amazing products and support from this awesome company. We look forward to helping them connect with our shooters.”

Guardian Long Range Competitions are full-day precision shooting events held throughout the country. The charity events let shooters test their rifle skills, help a great cause and make new friends in the precision rifle community. Registration fees for the events are tax-deductible donations. All proceeds go toward helping orphans and foster children find their forever families through Bethany Christian Services, America’s largest Christian nonprofit organization.

As an official sponsor, RCBS will be involved in eight Guardian matches, each of which will have 60 to 130 shooters of all skill levels. Many participants will be shooting their first matches.

“RCBS’ products are as solid as their values,” Guardian said. “We look forward to connecting our shooters to their amazing products.”
