Hoppe's No. 9 Now Available by the Gallon

Same Classic Bore Cleaner and Lubricating Oil, New Economical Size

OVERLAND PARK, Kan. – April 27, 2021 – Hoppe's, the No.1 name in gun care products, has announced the release of new one-gallon containers of both No. 9 Gun Bore Cleaner and Gun Lubricating Oil. With these classics now available by the gallon, serious gun owners can get more value per ounce while ensuring they never run out of these gun-cleaning staples.

Hoppe's No. 9 Gun Bore Cleaner remains the most widely used remover of powder, lead, metal fouling and rust, while Hoppe's Gun Lubricating Oil is the go-to oil refined for protecting firearms. The new one-gallon bottles feature the same exact formulations found in smaller bottles. The new gallon containers of cleaner and oil mean gun owners can keep them over long periods of time and refill their smaller bottles of Hoppe's as needed.

The one-gallon containers of Hoppe's No. 9 Bore Cleaner and Gun Lubricating Oil are designed with built-in handles and a wide mouth with twist-off caps to make pouring more manageable.

The one-gallon container of Hoppe's No. 9 Bore Cleaner has an MSRP of \$129.95 and the one-gallon container of Gun Lubricating Oil has an MSRP of \$163.95. These one-gallon sizes are only available in the U.S. For more information about these Hoppe's products or to see the full Hoppe's lineup, visit Hoppes.com.

About Hoppe's

In 1903, Frank August Hoppe mixed nine chemicals and created the world's most effective gun cleaner. As a well-trained young soldier, Frank knew that gun care went far beyond just a clean rifle, but actually helped to ensure his safety while on the front lines of battle. Since that time, Hoppe's has emerged as the leading gun care company, having grown along-side hunters, shooters and soldiers who depend on their firearms every day. It has remained the most trusted name in gun care by advancing and evolving technologies to meet those needs. From the ever-popular and versatile No. 9 and the quick and easy BoreSnake, to the marvel of efficiency we call Gun Medic, Hoppe's is the only name you need to know for firearm cleaning and protection.
