

FOR IMMEDIATE RELEASE

**Primos Wins *BowHunterPlanet's*
Golden Arrow Award for Best Blinds**

FLORA, Miss. – October 26, 2021 – Primos Hunting, a pioneer in game calls and hunting accessories, has won a Golden Arrow award for best hunting blinds from *BowHunterPlanet*. The inaugural awards aim to recognize the *BowHunterPlanet* audience's favorite brands across various categories and is decided by popular online voting.

Primos boasts a wide range of ground blinds, including the new [Double Bull Surroundview Double Wide](#) and the [Double Bull Surroundview Max](#), both of which give bowhunters maximum concealment as well as a 180-degree, one-way see-through view. As an added feature, a built-in sun visor maintains maximum vision when the sun is at its lowest at sunrise or sunset.

The Double Bull Surroundview Stakeout is ideal for the mobile bowhunter, and comes in both [2-panel](#) and [3-panel](#) options for more or less concealment for multiple hunters. Set up and tear down is fast and easy, and built-in shooting ports give you clear lines of sight.

To learn more about the Double Bull blinds or to check out other Primos products, visit [Primos.com](#).
