RCBS Offers New Vibratory Case Polisher

OVERLAND PARK, Kansas – May 25 2017 – RCBS, the leading manufacturer of ammunition reloading equipment for rifles and pistols, offers reloaders the new RCBS Vibratory Case Polisher.

Bright, ready-to-load brass is ready in minutes with the RCBS Vibratory Case Polisher. It shines up to 14 pounds of brass/media at one time with aggressive vibrating action.

“This is something our customers have asked for,” said Kent Sakamoto, RCBS Product Manager. “A quiet motor powers the cleaner, and a sifting lid helps separate brass from media. Quality handloads start with quality brass, and the Vibratory Case Polisher makes a ready supply quick and easy.”

RCBS, a brand of Vista Outdoor, is the leading manufacturer of ammunition reloading equipment for rifles and pistols, offering reloading equipment throughout the world. For more information, please visit www.RCBS.com.
