Federal Premium Now Offers HST Practice & Defend Combo Packs

ANOKA, Minnesota – July 06, 2016 – Federal Premium Ammunition is pleased to announce a new option for those seeking one solution for both training and personal defense: HST Practice & Defend Combo Packs. The ammunition line combines realistic practice and value with the industry's leading personal defense load, HST. Shipments of this new product are now being delivered to dealers.

Several years ago, Federal Premium invented this concept, joining personal defense ammunition and ballistically matched training loads in one convenient, affordable package with Practice & Defend Combo Packs. This year, the company has made these products even better by combining top-of-the line HST loads with American Eagle training rounds.

Features & Benefits

- HST bullet design delivers industry-leading performance in FBI protocol testing (*Not applicable to 380 Auto offering*)
- American Eagle FMJ target rounds provide consistent accuracy
- Grain weights of both loads match for familiar feel and realistic practice (*Not applicable to 380 Auto offering*)
- Combination allows effective training and personal defense
- Available in 380 Auto, 9mm Luger, 40 S&W and 45 Auto
- 100 rounds of target ammunition and 20 rounds of HST Personal Defense
