Stevens Adds Four Enhanced Over-Under Shotguns to its 555 Lineup

SUFFIELD, Connecticut – November 30, 2016 – Savage Arms is pleased to announce its extension of 555 over-under shotgun product line by adding four upgraded and laser engraved models priced less than \$865. Shipments of these firearms are currently being delivered to dealers.

Stevens has dovetailed performance and value in its new 555 over-under shotgun. Its light aluminum receiver is scaled to gauge and incorporates a steel insert that reinforces the breech, minimizing weight and maximizing strength. The fast-handling 555 Enhanced features upgrades that include Imperial walnut stock and forearm, auto shell ejector and laser-engraved Filigree ornament receiver.

Standard features include a manual safety, and a single, selective mechanical trigger, and more—at a price that’s unmatched among comparable over-under shotguns. Five interchangeable choke tubes allow the 555 to meet any shooting need.

Features & Benefits

- Auto ejector
- Imperial Walnut stock and forearm
- Laser engraved Filigree ornament
- 5 interchangeable chokes
- Lightweight alloy receiver
- Single selective mechanical triggers
- Chrome-lined barrels
- Tang-mounted safety
