## **Stevens Offers Muddy Girl Camo Pump-Action 20-Gauge in Compact and Youth Models**

**SUFFIELD, Conn. – August 5, 2016** – Stevens has expanded its popular 320 pump shotgun line with two new 20-gauge models designed specifically with women and youth in mind. The 320 series has a reputation for solid, affordable performance for everything from wing-shooting to home defense. Shipments of this new product are being delivered to dealers now.

These new shotguns boast the same great features as Stevens' other 20-gauge 320 field-grade models, including dual slide bars, a rotary bolt, rugged synthetic stock, vent rib and a five-round capacity. Both models include interchangeable chokes and come in compact and standard length of pull models, finished in Muddy Girl camo.
