Federal Launches a New Line of Dual-Purpose Train + Protect Versatile HP Ammunition

ANOKA, Minnesota – August 1, 2017 – Federal Ammunition is pleased to announce its launch of Train + Protect, a new line of handgun loads designed for both practice and personal protection. The competitively priced ammunition features Federal's versatile hollow-point (VHP) bullet and is available in three popular handgun cartridges and weight options. Shipments of this new ammunition are being delivered to dealers.

The Federal Train + Protect VHP bullet design provides both precise, practical performance at the range, and instant, reliable expansion on impact. The result is the ideal combination for training as well as defending yourself and your loved ones. The new ammunition proudly honors the American birthright to bear arms with patriotic U.S.A. graphics on its packaging.
