Federal Premium Now Offers Its Famed Trophy Bonded Tip as a Component Bullet

ANOKA, Minnesota – August 9, 2017 – Federal Premium Ammunition is pleased to announce it is now offering its popular Trophy Bonded Tip as a component bullet for handloading. The full line of competitively priced component bullets is available in six popular caliber and weight options. Shipments of the bullets are being delivered to dealers.

Based on Federal Premium's popular and historic Trophy Bonded Bear Claw, Trophy Bonded Tip's proven design stands apart from all other big game bullets. It combines bonded construction, a bone-crushing solid copper shank, boat-tail design and a high-performance polymer tip that tightens groups at long range.

Features & Benefits

- Polymer tip material provides the industry's highest heat resistance for the most consistent ballistics
- Boat-tail design for flat trajectories and match-grade accuracy
- Robust bonding maximizes weight retention
- Solid shank for bone-crushing penetration
- Grooved shank minimizes fouling and improves accuracy
- Offered in bullet diameters and weights perfect for the most popular big game cartridges
- 50-count packs
