Federal Premium Launches New Gold Medal Grand Paper Hull Shotgun Ammunition

ANOKA, Minnesota – September 13, 2018 –Federal Premium is proud to announce new paper-hull shotgun shells to its Gold Medal Grand product lineup. The look, feel, smell and performance of Gold Medal Paper shotshells made them the favorite of the most serious clay target shooters. Now there's an even better option with the all-new Gold Medal Grand Paper which includes various new 12-gauge loads in shot size No. 7.5 and No. 8. Shipments of this ammunition are being delivered to dealers now.

These new paper-hull loads combine Federal Premium Ammunition's classic paper hull with an improved design that provides less felt recoil, more reliable ignition and improved shot hardness.

Features & Benefits

- Exclusive Federal Premium paper hull design
- Two-piece wad utilizes SoftCell technology to decrease perceived recoil and produce more uniform patterns than one-piece designs
- Rigid PrimerLock head improves primer sensitivity, ensuring proper ignition in the event of a light hit
- Lead shot is engineered for the optimum blend of hardness and density for even patterns and maximum downrange power
