***On Target* Magazine Honors Federal Train + Protect with Editors' Choice Award**

ANOKA, Minnesota – March 13, 2018 – *On Target* magazine recently recognized Federal Train + Protect ammunition with an Editors' Choice Award. The load's Versatile Hollow Point (VHP) bullet design helped earn the title, part of the magazine's 16th annual awards program.

"We are proud that the editors of *On Target* presented Train + Protect with this award," said Federal Premium President Jason Vanderbrink. "To maximize versatility and value, Train + Protect ammunition is loaded to produce consistent performance on the range and in defense situations. We know the magazine's readers will agree."

Its staff tests and reviews guns, ammunition and hunting products, and presents the results in a straightforward, no-nonsense format that provides all the information consumers need to make purchase decisions.
