## **Savage Gives Hunters Field-Ready Combo Package with New 110 Engage Hunter XP**

**WESTFIELD, Massachusetts – February 15, 2018** – Savage is pleased to offer hunters and other serious shooters a new field-ready rifle-and-optics package that combines the company's proven Model 110 platform with a factory-mounted, bore-sighted Bushnell Engage scope. Shipments of these firearms are currently being delivered to dealers.

Length-of-pull on the 110 Engage Hunter XP is easily customized to fit any shooter for comfort and consistency, and the user-adjustable AccuTrigger provides a light, crisp pull. The rifle's improved ergonomics get even more accuracy from its legendary 110 action, floating bolt head, and thread-in, zero-tolerance headspace system, while the optic's drop-compensating reticle makes it easier to place precise shots at longer ranges.
