## **New Savage 110 Wolverine in 450 Bushmaster Packs Potent Combination of Power and Precision**

**WESTFIELD, Massachusetts – April 12, 2018** – Chambered for the straight-walled 450 Bushmaster cartridge, the new Savage 110 Wolverine offers both precision and power for deer, bears and hogs. Shipments of these firearms are currently being delivered to dealers.

The 110 Wolverine's AccuFit system lets you easily tailor the length-of-pull and comb height for a perfect fit, while its user-adjustable AccuTrigger offers a crisp, clean pull. Together with the AccuStock, which secures the action three-dimensionally along its entire length, the rifle provides custom fit and function—right out of the box.

Other key features of the 110 Wolverine include a Magpul AICS magazine and 18-inch carbon steel heavy barrel complete with a ported muzzle brake and 11/16-24 threading. Plus, a one-piece rail mounted on the receiver makes it easy to set up the rifle to your personal hunting needs.

### **Features & Benefits**

- AccuFit system lets shooters quickly adjust comb height and length-of-pull
- User-adjustable AccuTrigger
