## **Savage Chambers MSR 10 Hunter in 338 Federal**

**WESTFIELD, Massachusetts – March 28, 2018** – Savage’s MSR 10 Hunter is now available in the 338 Federal chambering. Since its introduction in 2006, the 338 Federal has established itself as an extremely versatile, high-performance big game cartridge. Shipments of these firearms are currently being delivered to dealers.

Built on the .308 case and “necked-up” to hold a .338 diameter bullet, this 338 Federal load offers hunters a faster muzzle velocity than the 308 Win. but with a heavier bullet. As a result, the short-action cartridge provides magnum energy for devastating performance on game, without magnum recoil.

Savage’s several options of the semi-auto MSR 10 Hunter take the popular AR-10 platform to new heights, offering greater performance, expanded caliber choices and a modern design, plus a full suite of custom upgrades packaged as standard features.

The Savage MSR 10 Hunter delivers performance from its upgraded Savage barrel with a 5R rifling, a two-stage trigger with nickel boron treatment, and a tough Melonite QPQ finish. Other upgrades including a freefloat fore-end, custom-forged lower receiver and BLACKHAWK! adjustable buttstock and pistol grip turn the Hunter into the ultimate big game rifle.

### **Features & Benefits**

- 338 Federal chambering
- Higher muzzle velocity than the 308 Win. with a .338 diameter bullet
- Devastating terminal performance with less felt recoil than typical magnum calibers
- Compact AR-10 design
- 16.1-inch fluted barrel with Melonite QPQ finish
- Custom forged upper/lower for unique look and compact size
- Free-float M-LOK handguard

- BLACKHAWK! KNOXX AR Pistol Grip and AXIOM Carbine Stock

**Part No. / Description / MSRP**

22919 / MSR 10 Hunter, 338 Federal / \$1,479
