“Rinella and Putelis bring the same level of energy, humor, and thoughtfulness into this conversation as they do with their own podcast,” said Jason Nash, Federal Ammunition’s Vice President of Marketing. “Steven is a great storyteller and he shares more about the beginnings of MeatEater, its purpose, and the core values of the growing lifestyle brand.”

In the Tech Talk segment, the MeatEater team stays on to talk about the relationship they have with Federal and its leading products including 3rd Degree, which both used to successfully harvest Merriam’s turkeys during their trip to South Dakota. Before signing off, find out what promotions are available for consumers to buy Federal products and merchandise. Rinella and Putelis highlight the current “Hunt Harder” promotion with MeatEater products from Federal and CCI and a free trial with onX.
