### **DeTavernier Recognized for Outstanding Season**

**ANOKA, Minnesota – November 12, 2021** – Federal sponsored shooter Payton DeTavernier capped off a strong season with a coveted ATA certificate. The college student at Doane University in Nebraska, earned the AAA27AAA achievement recognition in trapshooting.

To qualify for this one-time designation, DeTavernier finished the year in the Lady 1 Division with an average above 98% in Singles (2,500 targets), 96% average in Doubles (750) and being on the 27 yard-line over the course of the year.

“This is an outstanding achievement,” stated Jason Nash, VP of Marketing at Federal Ammunition. “Payton was new to the Federal Team this year and we are excited to watch her growth in the shooting sports.”

According to the ATA website, DeTavernier is one of seventeen shooters who obtained this achievement during the 2021 target season. The Doane University student shoots Federal’s line-up of Premium target loads while competing.

“This achievement is something I knew I wanted to obtain since I started shooting ATA. It shows that my hard work, dedication and commitment has paid off and I couldn’t be happier,” said DeTavernier. “I have worked extremely hard to accomplish this and I wouldn’t have been able to do it without my parents, Federal, Elite Shotguns and Kolar. It means so much to me that I have an amazing support system and people who are always there to help me.”
