A Firearms History Lesson on “It’s Federal Season” Podcast

ANOKA, Minnesota – March 17, 2022 – Federal’s “It’s Federal Season” podcast will have a new format in 2022. Utilizing the brand’s talented ambassadors, a series of guest hosts will entertain and inform on numerous topics where they have expertise as well as interview great guests.

The first guest host is Julie Golob. “Julie is one of Federal’s most respected ambassadors,” said Brian Anderson, Federal’s Marketing Director. “As a professional shooter, she is champion in many disciplines but as important as that is, she is a great role model for all shooters and we are excited to have her lead off the new podcast format.”

Golob’s first guest is Ashley Hlebinsky from The Gun Code. Ashley is one of the nation’s foremost authorities on firearms history and over the past decade, she has worked in and managed some of the largest firearms collections and museums in the world.

Both Golob and Hlebinsky are experts in their fields and discuss a variety of topics including Women’s History Month relating to firearms, their favorite firearms, and historical collections. A great episode for historical perspectives.
