Team Federal Shot Strong at the 2022 Magpul Texas 3-Gun Championship

ANOKA, Minnesota – April 28, 2022 – Team Federal finished strong at the recent Magpul Texas 3-Gun Championship held at the Reveille Peak Ranch in Burnet, Texas, where Federal was a Platinum level sponsor. Of the 256 competitors, Team Federal shooters Josh Froelich and Konnor Fryburger were standouts in the competition. Froelich finished second overall, and first in the 2x4 Open Division. Fryburger received Top Junior honors, first in the Limited Division, plus he was named Top Texan in the Limited Division.

“The Magpul Texas 3-Gun Championship is one of the most respected multigun matches in the country. Match Directors Aaron Hayes and Garrison English once again proved that reputation to be well-deserved, and the hospitality at the event was top-notch,” said Jason Spradling, Federal’s Shooting Sports Promotions Manager. “A great multigun match requires competitors to strike a balance between judicious application of fundamentals and aggressive stage execution to score well. The team at the Texas 3-Gun Championship provided just such an experience.”

“The Texas 3-Gun championship is one of the most well attended, competitive, high-round count multigun shooting championships in the country. Texas has big stages with difficult shooting challenges and some of the most unforgiving wind. This place will challenge any shooter and any gear you bring to run at the event,” said Josh Froelich. “This was my 4th Texas 3-gun championship and my 4th win in 2x4 division. I’m looking forward to coming back again to defend the title next year.”

“I’m really happy to come away from this match with three trophies and to have performed so well in my home state. My Federal ammo performed flawlessly and gave me the confidence to push really hard despite some challenging conditions,” said Konnor Fryburger. “I’ve shot a lot of pistol ammo in the past few years and this Federal Syntech Action Pistol load is no joke. I love this stuff.”
