Federal Ammunition Professional Shooter Buck Holly Collects Two Top Gas Gun Trophies

ANOKA, Minnesota – July 14, 2022 – Team Federal Precision Rifle Series shooter Buck Holly wins the Top Gas Gun division at two consecutive matches. Holly came out on top against over 190 shooters at the Hornady Precision Rifle Challenge on July 9-10, 2022, in Evanston, Wyoming. He also won the Top Gas Gun trophy at the 2022 Hodgdon Punisher Positional on June 25-26, 2022, in Conway Springs, Kansas.

During the competitions, Holly used Federal's Gold Medal 6mm Creedmoor load with the 109gr Berger bullets. The warm weather and gusty winds didn't deter Holly from performing well in both events.

"Competing well in a two-day Precision Rifle Series match is no easy task. High temperatures and gusty winds make it even more daunting," said Federal Shooting Sports Promotions Manager Jason Spradling. "In those conditions, a top-level competitor has to bring his A-game and make sure his gear is squared away. It's cool to see what Buck has been able to do with these new Federal Premium Gold Medal loads."

"Strong winds and gusty conditions are difficult to shoot in, but thankfully the new Federal 109 Match ammo eliminates all variables related to ammo performance, said Holly. "These new 109-grain Gold Medal loads cut through the wind like a laser."

With his 2nd and 3rd Gas Gun Division wins of the season, Holly is now qualified for the Precision Rifle Series Finale to be held in Tennessee in November.

"We are excited to see Buck's continued success in competition in 2022 as he continues to show why top shooters, shoot Federal," concluded Spradling.
