## **Froelich Finishes First at the Minnesota TriGun Championship**

**ANOKA, Minnesota – June 15, 2022** – Team Federal congratulates brand ambassador Josh Froelich on winning 1<sup>st</sup> Overall and 1<sup>st</sup> Open Division titles at the 2022 Vortex JP Tri-Gun held at Forest Lake Sportsman’s Club in Minnesota, June 11-12. Federal Ammunition was a Platinum Sponsor for the event.

“This event is shotgun heavy, as most Minnesota events are, and had a focus on technical shooting skills. That meant small steel plates and challenging paper targets. A lot of movement and difficult shooting positions were the name of the game up here,” stated Froelich, a Minnesota native, who relied on Federal handgun, rifle, and shotshell ammunition to win big at this prestigious match. “Competition is always tight and many of the best in the country come up to Minnesota to compete. The Minnesota TriGun Championship is one of my favorite events of the year and I am super excited that I was able to secure the win here in 2022.”

Team Federal’s Tucker Schmidt took 3<sup>rd</sup> in the Open Division and 5<sup>th</sup> Overall. Varick Beise took 3<sup>rd</sup> in Tactical Optics Division and 6<sup>th</sup> Overall.

“This match had some great shooters in attendance, as always. Froelich did what Froelich does, and he cleaned house,” said Jason Spradling, Federal’s Shooting Sports Promotions Manager. “Tucker and Varick fought hard to claim third place finishes in each of their divisions. Federal congratulates all of these guys on their successes.”

“I was fortunate enough to pull a 3<sup>rd</sup> place finish in a stacked field of competitors,” said Schmidt. “I was running the Federal Gold Medal Match with 69-grain Sierra bullets in my rifle. They always provide handload-level quality, consistency, and they never disappoint. That’s why I choose Federal.”

“This match was very fun and challenging, with most of the stages involving running bay to bay or through the woods. The longer stages and sporty shots made this match one of my favorites,” said Beise. “The event organizers there put together a great match for all shooters. I am grateful for the good range officers, volunteers and sponsors that made it all possible.”
