## Turkey Talk on “It’s Federal Season” Podcast

**ANOKA, Minnesota – April 7, 2022** – Federal’s “It’s Federal Season” is talking turkey on the latest episode of the podcast series. Guest host Julie Golob welcomes Realtree’s Tyler Jordan to the conversation on tactics to take down a spring gobbler. The timely topic is appropriate as hunters are looking for the best remedy for cabin fever.

“Tyler is so in tune with turkey hunting,” states Golob, Federal’s Ambassador and guest host. “From sharing tips on concealment, tips on tactics to his favorite spots to hunt big tom turkeys, the host of Realtree Road Trips details it all on having a successful spring,” states Golob. Federal is a sponsor of Realtree365, Realtree’s digital platform, that includes favorites like Realtree Road Trips and Spring Thunder.

In the popular Tech Talk segment, Golob talks with Shotgun Product Line Manager Dan Compton to discuss the different options turkey hunters have regarding ammunition selection. Compton walks through all the turkey specific ammunition options for the growing popularity of sub-gauges in Federal’s product lineup. In addition, Golob and Compton discuss the important topic of patterning prior to a first hunt of the season.
