

FOR IMMEDIATE RELEASE

## **Federal Ammunition's New Gold Medal CenterStrike 223 Rem Match Loads Now Available**

**ANOKA, Minnesota – December 7, 2023** – Federal Ammunition introduced a new product line of match-grade centerfire rifle ammunition in the Spring of 2023: Federal Premium Gold Medal CenterStrike. These new match-grade loads feature a proprietary open tip match design, sleek profile and extremely tight specifications for the ultimate long-range accuracy and consistency. The new 77-grain, 223 Rem. load is currently shipping to dealers. The 168-grain and 175-grain, 308 Win. loads, and the 140-grain, 6.5 Creedmoor have been shipping since earlier this year.

### **About Federal Ammunition**

Federal, headquartered in Anoka, MN, is a brand of Vista Outdoor Inc., an outdoor sports and recreation company. From humble beginnings nestled among the lakes and woods of Minnesota, Federal Ammunition has evolved into one of the world's largest

producers of sporting ammunition. Beginning in 1922, founding president, Charles L. Horn, paved the way for our success. Today, Federal carries on Horn's vision for quality products and service with the next generation of outdoorsmen and women. We maintain our position as experts in the science of ammunition production. Every day we manufacture products to enhance our customers' shooting experience while partnering with the conservation organizations that protect and support our outdoor heritage. We offer thousands of options in our Federal Premium and Federal® lines-it's what makes us the most complete ammunition company in the business and provides our customers with a choice no matter their pursuit.
