

FOR IMMEDIATE RELEASE

## **Federal Sponsored Shooter Derrick Mein Wins Two Medals at the Rabat Shotgun World Cup**

**ANOKA, Minnesota – January 25, 2023** – Federal Ammunition congratulates sponsored shooter and USA Shooting trap athlete Derrick Mein who recently won two medals at the 2023 International Shooting Sports Federation (ISSF) Rabat Shotgun World Cup. The competition took place January 11-24 in Morocco.

“We had a great start to the shooting season in Morocco, while there is always room for improvement, it’s nice to start the year off with a solid performance,” said Mein. “Bringing home a couple medals always feels good.”

Mein won gold in Mixed Team Trap with his partner Rachel Tozier. Mein also won bronze in Men’s Trap Team along with his teammates Derek Haldeman and Will Hinton.

“In the winter, it can be difficult to get quality training in cold weather,” explained Mein. “One thing I don’t have to worry about is my Federal Premium Ammunition, it outperforms the competition in all weather conditions.”

Federal ammunition can be found at dealers nationwide. For more on Federal ammunition or to shop online, visit [www.federalpremium.com](http://www.federalpremium.com).

### **About Federal Ammunition**

Federal, headquartered in Anoka, MN, is a brand of Vista Outdoor Inc., an outdoor sports and recreation company. From humble beginnings nestled among the lakes and woods of Minnesota, Federal Ammunition has evolved into one of the world's largest producers of sporting ammunition. Beginning in 1922, founding president, Charles L. Horn, paved the way for our success. Today, Federal carries on Horn's vision for quality

products and service with the next generation of outdoorsmen and women. We maintain our position as experts in the science of ammunition production. Every day we manufacture products to enhance our customers' shooting experience while partnering with the conservation organizations that protect and support our outdoor heritage. We offer thousands of options in our Federal Premium and Federal® lines-it's what makes us the most complete ammunition company in the business and provides our customers with a choice no matter their pursuit.
