**Lonoke, Arkansas (December 5, 2023)** – Remington Ammunition is thrilled to announce the release of the highly anticipated 2024 edition of their iconic Bullet Knife. This annual tradition has become a favorite among collectors, often hailed as America's most sought-after pocketknife.

The Waterfowler is a true testament to Remington's commitment to quality and craftsmanship. Proudly Made in the USA, this limited-edition collectible knife showcases the finest materials and meticulous attention to detail. Each knife features a 1095 Carbon Steel Clip point blade, long spey partially serrated blade, a birding gut hook, and the famous nickel silver Bullet shield inlaid in a genuine jigged bone handle.

“With only a limited quantity produced, the 2024 edition is a must-have for avid collectors and enthusiasts alike,” said Remington Cutlery Director Danny Evans. “The Bullet Knife has long been revered as one of the most-collected knives of all time, and this latest edition is sure to continue that legacy.”
