## **Team Federal Wins Titles at 2024 World Skeet Championships**

**ANOKA, Minnesota – October 14, 2024** – Federal Ammunition congratulates sponsored skeet shooters Connor Ball, Jason Ward, and Stuart Brown on claiming world titles at the World Skeet Championships. The event was held September 27-October 5, 2024, at the National Shooting Complex in San Antonio, TX.

Connor Ball was the 2024 World Champion in the 20-gauge event. The 2022 HOA World Champion earned his way into this year's 20-gauge shoot-off by breaking 100 straight and then bested thirty other title seekers in a shoot-off to win the coveted World Championship. This is his first gauge specific World Championship at the World Skeet Championships.

Jason Ward, the 2017 HOA World Champion, was victorious in this year's .410 bore World Championship competition. Ward shot 100 straight to earn his way into a shoot-off before defeating seven other competitors. Ward finished fifth in the 2024 HOA World Championship. This year's individual gauge specific title in the .410 bore adds to his list of victories including the 2017 and 2020 28-gauge titles and a 2019 win in the 20-gauge World Championship.

Finally, Stuart Brown won the Doubles World Championship. After shooting 100 straight, Brown emerged with the World Championship by defeating six other shooters, including teammate Connor Ball in a shoot-off. Brown was the HOA World Champion in 2016.

"Team Federal had an excellent showing at the World Championships," said Mike Hampton, Sr., Federal's shotshell team manager. "Bringing home three World Championships is a credit to the team's hard work this season," says Hampton.
