

FOR IMMEDIATE RELEASE

The Remington Podcast: Live at NRA Annual Meetings

LONOKE, Ark. – May 15, 2024 – [Remington Ammunition](#) will be recording live episodes of The Remington Podcast at the 2024 NRA Annual Meetings in Dallas, on Saturday, May 18, in Booth #8644.

The Remington Podcast takes a deep dive into all things ammunition, covering ballistics and product info, shooting sports tips, hunting stories and much more with special guests from across the industry.

At this year's NRAAM, podcast guests include Scot Storm, prolific wildlife artist, Danyela D'Angelo, Team Remington ambassador and 3-Gun competitor, Scott Olmsted, American Hunter's Editor-in-Chief, Dustin Sanchez, Team Remington pro-shooter, and Jim Curcuruto, Executive Director of Outdoor Stewards of Conservation.

"Big Green's booth at this year's NRA show is more action-packed than ever," said Remington's Director of Marketing Joel Hodgdon. "With one of the best outdoor artists Scot Storm signing Remington Bullet Knife posters and a host of other guest appearances, events and giveaways, everyone who stops by the booth in Dallas is sure to have a good time."

Remington will offer show-goers exclusive swag, a first-hand look at new products, and a chance to win a Remington safe.

About Remington

From muskets to modern day, generations of hunters and shooters have trusted Remington ammunition and accessories. Loaded in Lonoke, Arkansas by American workers, our wide array of pioneering sporting and hunting ammunition promises to get

Remington®

the job done every time the trigger is pulled. At Remington, we're here for everyone who loads a round of ammo into a handgun, rifle, or shotgun.

Founded in 1816, Remington and America have fought and won wars, put food on millions of tables and brought countless generations together at the range and in the field. We are proud of each and every round that rolls off our factory line. An ammunition brand of The Kinetic Group, Remington is bringing a renewed focus to ammunition, innovation, and quality – all while staying true to Remington's legendary heritage and stature as an American icon.
