Federal's Struttin' Savings Turkey Load Rebate Program is Underway

ANOKA, Minnesota – March 4, 2025 – Federal Ammunition's Struttin' Savings rebate for hunting springtime gobblers is underway, and the promotion will run until May 31, 2025. Wild turkey hunters can now buy Federal Premium turkey loads and get up to \$100 back.

To take advantage of this rebate, customers must purchase Federal's Strut-Shok to receive a \$3.00 rebate per box or buy Federal Premium Grand Slam, 3rd Degree, or HEAVYWEIGHT TSS to receive \$5 per box back.

A minimum purchase of two (2) boxes is required, with a maximum rebate of \$100.00 per person or household. Valid purchases must be made from March 1 through May 31, 2025. The deadline for submission of this rebate offer is June 30, 2025.

Federal Premium Grand Slam features the FLITECONTROL FLEX wad system, which works in both standard and ported turkey chokes, opening from the rear for a controlled release of the payload and extremely consistent patterns. The high-quality copper-plated lead pellets are cushioned with an advanced buffering compound, providing dense patterns and ample energy to crush gobblers.

Federal Premium 3rd Degree with TSS uses the FLITECONTROL FLEX® wad and a three-stage payload consisting of No. 5 copper-plated lead, No. 6 FLITESTOPPER® lead and 18 g/cc No. 7 HEAVYWEIGHT TSS shot to deliver larger, more forgiving patterns at close range, while still providing deadly penetration at long distance.

Federal Premium HEAVYWEIGHT TSS loads provide the highest pellet counts possible. The tungsten-alloy material's 18 g/cc density is 22 percent higher than standard tungsten and 56 percent more than lead. The result is the most energy and highest velocities at extreme range. Its rear-braking FLITECONTROL FLEX® wad performs flawlessly through ported and standard turkey chokes for the most consistent, deadly patterns possible.
