A minimum purchase of two (2) boxes or one (1) 100-count bulk pack is required. The maximum rebate is \$200 per person or household. Valid purchases must be made January 9 through March 10, 2025. The deadline for online submission is March 31, 2025.

“Our Steel Deals rebate gives hunters a great opportunity to try our all-steel waterfowl and upland loads,” said HEVI-Shot's Marketing Manager Tina Larsen. “For those who love our bismuth/steel and tungsten/steel loads but want an all-steel option to meet a specific price point for high-volume hunts such as snow goose and dove, HEVI-Steel and HEVI-Steel Upland are excellent choices.”

HEVI-Steel and HEVI-Steel Upland pushes payloads faster than competing steel loads. Their velocity boost makes it easier to connect on hard-flying birds and delivers more energy on impact. Aided by HEVI-Shot's best-in-class wad and precision manufacturing techniques, these all-steel shotshells hit hard every time.

HEVI-Shot products are available at dealers nationwide and online. For more information on all HEVI-Shot products, visit www.hevishot.com.
