

FOR IMMEDIATE RELEASE

## **Remington Announces 4th Annual Shoot to Cure Fundraiser**

**LONOKE, Ark. – August 22, 2025** – Remington Ammunition will be hosting its 4th Annual Shoot to Cure sporting clays fundraiser on September 19, 2025. This exciting event brings together the outdoor industry, local Arkansas businesses, and professional shooters from Team Remington to support disease research and help kids in need—all proceeds to benefit the Arkansas Children's Hospital. Last year's event was an overwhelming success, which helped to raise over \$15,000.

"Shoot to Cure is an event that reaches shooting enthusiasts and is a great avenue for shooters to show support for Arkansas Children's Hospital while exercising their skills and love for shooting at the same time," said Remington's Gun Club Director Kris Carson. "It's truly a unique fundraiser and it's a win-win. We hope to help more families this year. Every penny counts and every donation makes a difference and invests in our community's future."

Hosted at Remington's historic Gun Club, which is located just steps from Big Green's ammunition factory, the club features facilities for trap, skeet, sporting clays, and five-stand. Whether it's a family outing, corporate event, or a sanctioned competition, Remington Gun Club allows visitors to put the world's finest shotshells to the ultimate test.

To watch a video and learn more about the event, or to donate to the cause, visit <https://www.remington.com/shoot-to-cure.html>.

The Shoot to Cure event will also showcase Remington's [Gun Club Cure](#) line of target shotshell ammunition which helps real families nationwide. A portion of the proceeds from the sale of this ammunition benefits children's hospitals and disease research. Meaning your day at the trap, skeet or sporting course gives back to those in need. It's available in two 12-gauge loads, including Low Recoil.

Remington Gun Club Target Loads are an excellent choice for economical shooting. It features a reloadable shell, Gun Club Grade Shot, Premier STS Primers, and Power Piston One-Piece Wads, these high-quality shells receive the same care in loading as our top-of-the-line Premier STS and Nitro 27 shells.

Remington Ammunition products are available at dealers nationwide and online. For more information on Remington ammunition and to sign up for product news and special offers, visit [www.remington.com](http://www.remington.com).

### **About Remington**

From muskets to modern day, generations of hunters and shooters have trusted Remington ammunition and accessories. Loaded in Lonoke, Arkansas, by American workers, our wide array of pioneering sporting and hunting ammunition promises to get the job done every time the trigger is pulled. At Remington, we're here for everyone who loads a round of ammo into a handgun, rifle, or shotgun. Founded in 1816, Remington and America have fought and won wars, put food on millions of tables, and brought countless generations together at the range and in the field. We are proud of each and every round that rolls off our factory line. An ammunition brand of The Kinetic Group, owned by CSG, a globally diversified industrial group based in Prague (Czech Republic), Remington is bringing a renewed focus to ammunition, innovation, and quality—all while staying true to Remington's legendary heritage and stature as an American icon.
