"The original Core-Lokt set the standard for big game hunting, and Core-Lokt Tipped takes it even further," said Remington's Centerfire Ammunition Product Director Kris Carson. "Now tuned for lever guns, these new loads give hunters the modern performance they want in the classic platforms they love. Currently, we have 30-30 Win. 32 Win., and 444 Marlin available, with 360 Buckhammer, 45-70 Govt., and 35 Rem. will soon follow."

Core-Lokt Tipped bullets feature a streamlined polymer tip for flatter trajectories and faster expansion on impact. Combined with the proven Core-Lokt copper jacket and carefully selected propellants, this ammunition delivers clean-burning, devastating performance on big game. From whitetails to black bears, hunters can expect deep penetration, consistent accuracy, and reliable knockdown power.

About Remington

From muskets to modern day, generations of hunters and shooters have trusted Remington ammunition and accessories. Loaded in Lonoke, Arkansas, by American

workers, our wide array of pioneering sporting and hunting ammunition promises to get the job done every time the trigger is pulled. At Remington, we're here for everyone who loads a round of ammo into a handgun, rifle, or shotgun. Founded in 1816, Remington has played a significant role in American history, fighting and winning wars, providing food for millions, and uniting countless generations at the range and in the field. Remington is proud of every round that rolls off the factory line. An ammunition brand of The Kinetic Group, owned by CSG, a globally diversified industrial group based in Prague (Czech Republic), Remington is bringing a renewed focus to ammunition, innovation, and quality – all while staying true to Remington's legendary heritage and stature as an American icon.
