## **Remington Announces New Core-Lokt Tipped Lever Gun Line, Now Shipping in 360 Buckhammer**

**LONOKE, Ark. – January 21, 2025 – [Remington Ammunition](#)** announces the debut of a new line of ammunition, Core-Lokt Tipped Lever Gun. Making its first appearance at SHOT Show 2025, the new line of ammunition optimizes the proven performance of Core-Lokt Tipped for use in lever guns.

“Big Green is excited to be bringing the Core-Lokt Tipped family into the world of lever guns,” said Jon Langenfeld, Research and Development Engineer at Remington Ammunition. “The resurgence of the lever gun was a welcome sight within Remington. We knew it would only be right to allow every lever gun shooter, whether novice or expert, the ability to utilize the trusted performance of Remington’s Core-Lokt Tipped in a variety of lever gun calibers.”

For over seven decades, Core-Lokt ammunition has been the go-to choice for American hunters, delivering reliable performance and consistent results. With the introduction of Core-Lokt Tipped in 2021, Remington took the iconic Deadliest Mushroom In the Woods to the next level. Now optimized for lever guns, Core-Lokt is super-tuned for a new generation.

Core-Lokt Tipped Lever Gun features the iconic Big Green polymer tip for improved long-range ballistics, in-flight accuracy and initiation of rapid expansion. The proven Core-Lokt jacket ensures optimal performance on big game, and carefully chosen, advanced propellants provide a clean burn while maintaining premier accuracy.

Core-Lokt Tipped Lever Gun is already shipping in 360 Buckhammer, allowing lever gun enthusiasts to experience the power and accuracy of the ultimate straight wall cartridge combined with the superior components of Core-Lokt Tipped.

### **About Remington**

From muskets to modern day, generations of hunters and shooters have trusted Remington ammunition and accessories. Loaded in Lonoke, Arkansas by American workers, our wide array of pioneering sporting and hunting ammunition promises to get the job done every time the trigger is pulled. At Remington, we're here for everyone who loads a round of ammo into a handgun, rifle, or shotgun.

Founded in 1816, Remington and America have fought and won wars, put food on millions of tables and brought countless generations together at the range and in the field. We are proud of each and every round that rolls off our factory line. An ammunition brand of the Kinetic Group, Remington is bringing a renewed focus to ammunition, innovation, and quality – all while staying true to Remington's legendary heritage and stature as an American icon.
