Remington Announces New Steel Shotshell for Waterfowl

LONOKE, Ark. – January 22, 2025 – [Remington Ammunition](#) is debuting its new Duck Club® Steel shotshell load, designed for all waterfowl occasions. The new load will be available in an assortment of lengths, payloads and shot sizes to meet any situation a waterfowl hunter can encounter.

“We are thrilled to introduce the Duck Club Steel shotshell load to our lineup,” stated Ronnie Evans, Shotshell Product Manager at Remington Ammunition. “Our team has worked diligently to create a product that meets the diverse needs of waterfowl hunters. Whether you’re hunting in marshes, fields or lakes, this load is designed to deliver outstanding performance at a great price.”

Available in 12 and 20 gauge, Remington designed Duck Club Steel after its iconic Sportsman Steel to be an economical and versatile shotshell that performs in any environment where waterfowl take flight. The high-velocity steel can knock down waterfowl at longer ranges, reaching muzzle velocities up to 1500 feet per second (FPS).

Remington remains dedicated to providing hunters with the tools they need to succeed when chasing waterfowl in any flyway. The Duck Club Steel shotshell is a testament to this commitment, combining advanced technology with the trusted performance that Remington is known for.

About Remington

From muskets to modern day, generations of hunters and shooters have trusted Remington ammunition and accessories. Loaded in Lonoke, Arkansas by American workers, our wide array of pioneering sporting and hunting ammunition promises to get the job done every time the trigger is pulled. At Remington, we're here for everyone who loads a round of ammo into a handgun, rifle, or shotgun.

Founded in 1816, Remington and America have fought and won wars, put food on millions of tables and brought countless generations together at the range and in the field. We are proud of each and every round that rolls off our factory line. An ammunition brand of The Kinetic Group, owned by CSG, a globally diversified industrial group based in Prague (Czech Republic), Remington is bringing a renewed focus to ammunition, innovation, and quality – all while staying true to Remington's legendary heritage and stature as an American icon.
