## Remington's New Royal Flush Shotshell Lets Upland Hunters Go All-In

**LONOKE, Ark. – January 23, 2025** – [Remington Ammunition](#) is proud to debut Royal Flush, an all-new shotshell load engineered for hunting upland birds. This innovative product is available in 12, 16 and 20 gauge, ensuring enthusiasts can head to the field with the shotgun of their choice.

“We are excited to launch Royal Flush aimed at the upland hunting diehard,” said Remington Shotshell Product Manager Ronnie Evans. “Our team has worked diligently to create a shotshell load that exceeds the expectations of avid bird hunters. With its impressive performance and versatility, Royal Flush is set to become a favorite among those who cherish the thrill of the hunt.”

Royal Flush shotshell comes in three shot sizes—4, 5 and 6—allowing hunters to select the ideal option for their specific game bird targets. With muzzle velocities ranging from 1300 to 1550 feet per second (FPS), this shotshell ensures a powerful performance that can take down any game bird with ease.

The standout feature of Royal Flush Shotshell is its magnum payload, which guarantees maximum impact and knockdown power. Whether in pursuit of pheasants in the field or grouse in the woods, this shotshell is designed to meet the demands of serious hunters. Its versatility makes it an essential addition to any hunter's arsenal, capable of adapting to various hunting conditions and bird species.

### **About Remington**

From muskets to modern day, generations of hunters and shooters have trusted Remington ammunition and accessories. Loaded in Lonoke, Arkansas by American workers, our wide array of pioneering sporting and hunting ammunition promises to get the job done every time the trigger is pulled. At Remington, we're here for everyone who loads a round of ammo into a handgun, rifle, or shotgun.

Founded in 1816, Remington and America have fought and won wars, put food on millions of tables and brought countless generations together at the range and in the field. We are proud of each and every round that rolls off our factory line. An ammunition brand of The Kinetic Group, owned by CSG, a globally diversified industrial group based in Prague (Czech Republic), Remington is bringing a renewed focus to ammunition, innovation, and quality – all while staying true to Remington's legendary heritage and stature as an American icon.
