Four Shooters on Team Remington Named to NSCA's 2025 USA Sporting Clays Team

LONOKE, Ark. – November 19, 2025 – Remington Ammunition congratulates several of its sponsored shooters for earning their spots on The National Sporting Clays Association's (NSCA) 2026 USA Sporting Clays Team. This team's members are Americans who will represent the association and the country in international competitions.

The athletes from Team Remington include Brandon Powell, named as Captain on the Sporting Senior Team and Captain on the FITASC Senior Team, Todd Hitch was named to the Sporting Senior Team and the FITASC Senior Team, Madison Sharpe was named to the Sporting Lady Team and the FITASC Lady Team, and Wendell Cherry was named to the Sporting Veteran Team.

The final 2026 USA Sporting Clays Team roster was recently confirmed on the NSCA's social media channels. Team selection is based on points earned in a series of selection shoots, calculated by dividing a shooter's score by the HOA score in their category. Selection criteria also include a minimum number of targets shot in the previous year, by category.

Brandon Powell, a renowned instructor and fierce competitor, won multiple NSCA regional events in 2025 as well as two World titles during his summer of dominance. At the NSCA Nationals in October, Powell was the High Over All in the All-Around competition. Additionally, his list of achievements includes multiple U.S. Open titles, numerous state championships, and a six-time selection for Team USA's Sporting roster.

Todd Hitch, a Tennessee native, had an impressive summer as well. The 22-year-old captured the Main Event High Over All at the South Central Regional and defeated a field of nearly 1,300 competitors to win the prestigious 2025 U.S. Open. His list of accomplishments also includes the 2023 Junior World FITASC Championship.

Madison Sharpe is a prominent member of Team Remington. She has been on the team for several years. She is known for her impressive performances and wins in major sporting clay competitions and championships, including the 2025 U.S. Open High Over All in the Lady's Main Event.

Wendell Cherry is a prominent, longtime figure in the sport of Sporting Clays and FITASC, with numerous championship titles to his name, including multiple U.S. Open wins.

Team Remington features elite shooters competing in the disciplines of skeet, sporting clays, and trap. The team members use Remington's Premier STS and Premier Nitro shotshells in competition. The current roster includes dozens of top athletes, such as national and world champions. For a complete list, visit: www.remington.com/team-remington/

Team Remington competes and wins with Remington Premier shotshells. Top quality, consistency and accuracy come standard when trap, skeet or sporting competitors shoot the iconic Premier STS and Premier Nitro families of ammunition.

About Remington

From muskets to modern day, generations of hunters and shooters have trusted Remington ammunition and accessories. Loaded in Lonoke, Arkansas by American workers, our wide array of pioneering sporting and hunting ammunition promises to get the job done every time the trigger is pulled. At Remington, we're here for everyone who loads a round of ammo into a handgun, rifle, or shotgun. Founded in 1816, Remington and America have fought and won wars, put food on millions of tables, and brought countless generations together at the range and in the field. We are proud of every round that rolls off our factory line. An ammunition brand of The Kinetic Group, owned by CSG, a globally diversified industrial group based in Prague (Czech Republic), Remington is bringing a renewed focus to ammunition, innovation, and quality – all while staying true to Remington's legendary heritage and stature as an American icon.
