## **Team Remington Chews Up the Gator Cup with Multiple Podium Finishes**

**LONOKE, Ark. – March 31, 2026** – Remington Ammunition congratulates Brandon Powell on his Main Event Runner-Up finish at the 2026 Gator Cup. Powell led a group of Remington team members who found the podium during the competition. This year's Gator Cup drew more than 760 shooters to the Back Woods Quail Club in Georgetown, SC. The tournament ran from March 24-29, 2026.

South Carolina native Turner Parcell also had a good showing in the Main Event, despite windy conditions that challenged all the shooters. He finished third out of 614 shooters competing in the High Over All title. Parcell did take home a Gator Cup event title by winning the Friday Prelim sponsored by Remington Ammunition. The University of South Carolina student bested the field of 316 shooters by three targets.

Parcell's final podium performance came in Super Sporting. He finished in second place with 541 shooters vying for the top prize. The final notable results were that Brandon Powell finished third in the FITASC event, and Braxton Oliver finished third in the Friday Prelim sponsored by Federal Ammunition.

In the Veteran category, Wendell Cherry was victorious in the Thursday Prelim and finished Runner-Up in both the Veteran Main Event and 5-Stand competitions.

Team Remington competes and wins with Remington Premier shotshells. Top quality, consistency, and accuracy come standard when trap, skeet, or sporting competitors shoot the iconic Premier STS and Premier Nitro families of ammunition.
