## **Team Remington's Oliver is World English Sporting Clays Champion**

**LONOKE, Ark. – April 28, 2026** – Team Remington's Braxton Oliver pulled off a huge victory at the World English Sporting Clays Championship. The North Carolina native defeated many of the world's best in the Main Event High Over All with an exciting finish in the Super Final. The 29-year-old bested a field of nearly 1,000 shooters to win one of the most prestigious sporting clay competitions. The World English Sporting Clay Championships were held at the National Shooting Complex in San Antonio, TX, from April 21-26, 2026, and drew a total of 1268 competitors.

"It hasn't sunk in quite yet," said Braxton Oliver, the newest world champion in his family. "It's always been a personal goal and means a lot to my family and me. My grandfather, Larry Corbett, was a 2011 World Veteran English Sporting Clay Champion and a 2015 World FITASC Super Veteran Champion, so it meant a lot to join him and add another world title to the family's legacy in the sport," said Oliver.

Oliver entered the Super Final in second place, one target back from the leader. "My whole goal was to keep calm and stay relaxed and see the targets clearly. I told myself if I was going to win, I'd have to 'go for it.'" With his Nitro 27 HDCP shells (1235 fps, 1 1/8 ounce, 7.5 shot) loaded in his Krieghoff shotgun, he broke 19 targets in a tough Super Final course to finish a single target ahead of the 2<sup>nd</sup> and 3<sup>rd</sup> place finishers.

"The crowd let me know," Oliver said of his win after breaking the final pair to solidify his victory. "It is the most significant win of my career, and it will be my goal to repeat and win as many as I can."

Other Team Remington shooters had outstanding performances this week at the event. Turner Parcell won the Preliminary over a field of 818 shooters with teammates Todd Hitch and Brandon Powell finishing 3<sup>rd</sup> and 4<sup>th</sup>, respectively. Mike Luongo was the High Over All in the .410 bore competition. That performance aided his third-place finish in the Sub Gauge High Over All event. Brandon Powell finished Runner Up in Super Sporting with teammate Turner Parcell finishing in third. Powell also finished on the podium with a third-place finish in 5-Stand.

In the Lady division, Madison Sharpe was the champion in three events, including the Lone Star Cup, 5-Stand, and the Preliminary Championship. Lastly, in the Veteran category, Wendell Cherry was the FITASC and Preliminary Runner Up in both events.

Team Remington shooters also helped the United States win several team trophies. Brandon Powell and Todd Hitch were representatives who led the U.S. to a first-place finish over eight other countries that competed in the National Teams Senior Division. Madison Sharpe was part of the U.S. team that defeated England and Jamaica in the Lady Division.

Team Remington competes and wins with Remington Premier shotshells. Top quality, consistency, and accuracy come standard when trap, skeet, or sporting competitors shoot the iconic Premier STS and Premier Nitro families of ammunition.
