Team Remington's Powell Wins Third Consecutive NSCA Northeast Regional Main Event

LONOKE, Ark. – May 18, 2026 – For the third consecutive year, Team Remington's Brandon Powell claims the Main Event Championship at the NSCA Northeast Regional. With 828 shooters competing for the title, Powell bested a deep field by three targets to add to his impressive list of career regional victories. Powell captured his three-peat at the M&M Hunting Preserve in Pennsville, New Jersey, host of the 2026 Northeast Regional. The event drew a total of 1,019 shooters and ran from May 11-17, 2026.

"It's pretty awesome to maintain that title for three years in a row," says Team Remington's Brandon Powell. "I think this is the largest regional ever held," says Powell. In 2024 and 2025, Powell defeated the field of 520 and 596 shooters to win the Main Event. Besides the Main Event, Powell won the Sporting Accessories Masters Cup and the Fiocchi Super Sporting events and finished third in the B&P Preliminary and fourth in the 5-Stand competition.

Also claiming top prize for Team Remington was Braxton Oliver. Fresh off his World English title, Braxton defeated a field of 481 shooters to win the B&P Preliminary ahead of teammates Turner Parcell and Brandon Powell. Oliver also finished second in FITASC, third in Super Sporting, and fourth in the Main Event to round out an excellent regional performance.

Turner Parcell was victorious in the 20-gauge event with teammate Michael Luongo finishing in third place. Luongo continued his strong finishes in the sub-gauge category with a Runner-Up medal in the 28-gauge event.

Team Remington competes and wins with Remington Premier shotshells. Top quality, consistency, and accuracy come standard when trap, skeet, or sporting competitors shoot the iconic Premier STS and Premier Nitro families of ammunition.
